

SerialPort

```
classDiagram
    class SerialPort
    class PortsModem["edwinspire::Ports:::Modem"]
    PortsModem --|> SerialPort
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text "SerialPort". The bottom box is white with a black border and contains the text "edwinspire::Ports:::Modem" on two lines. A dark red arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a generalization relationship.

edwinspire::Ports::
:Modem
